

# The Hamlin Herald

VOLUME 42

HAMLIN, JONES COUNTY, TEXAS, FRIDAY MARCH 14, 1947

NUMBER 19

## Hamlin and County "Over Top" In Red Cross Drive

Hamlin had raised \$831.00 for the 1947 Red Cross drive Thursday morning, according to R. H. McCurdy, city chairman, who is hoping a much larger amount will be contributed before April 1.

Starr Inzer of here, chairman of the Jones County campaign has announced that the quota for the county has been met and exceeded, with \$5,000 already reported with over half the rural communities unreported. The quota was \$4,800.

Tuxedo received donations amounting to \$215 last with a quota of only \$72. Stamford has donated \$2,900 and their quota was \$1,59. Anson gave \$900 and Lueders \$69.

If you have not contributed you are urged to bring or mail your donation to Mr. McCurdy, Box LL, Hamlin.

## Grain Prices Up; Other Products Continue Strong

Grain prices spiraled upward, and most other farm markets continued unsteady to strong last week, according to the Production and Marketing Administration U. S. Department of Agriculture in a report to the Herald. Hogs eased back from record prices of recent days.

Eggs and poultry found a firm market last week, as demand remained good. Current receipt eggs averaged around 37 to 38 cents per dozen at San Antonio, Fort Worth, Dallas and Oklahoma City; 35 at Topeka; 36 at Denver; and 36 at New Orleans. Spot cotton advanced about \$2.25 per bale. Activity increased in the central exchanges but slackened in farmer's markets. Demand weakened, as offerings increased.

Grains made even more spectacular advances last week than the week before. Wheat led the swing upward soaring 23 cents per bushel in seven days at Fort Worth and Galveston. Other grains followed close in line, as white corn climbed 15 cents; yellow corn 12; barley 12; and oats 10 to 11. Sorghums jumped to 16 to 19 cents per hundred pounds.

Feed prices moved up to sharply higher levels, reflecting the upward surge of grains. Good quality alfalfa hay showed strength, but inferior grades slowed. Weather retarded rice planting, but Louisiana farmers were ready to begin. Scarce holdings of peanuts sold higher. Sales of shelled No. 1 Spanish were made pound and farmer's stock in the Virginia-Carolina area went at 10 to 11. Bulk of hog sales at the close of the week went at \$26.50 for medium weight good and choice grades at Fort Worth; and \$28 to \$28.25 at Wichita. The late week top was \$26 at San Antonio; \$28 at Oklahoma City; and \$28.40 at Denver.

Cattle advanced to new all time high levels in practically all classes at Fort Worth, and sold at steady to strong prices at most other terminals. Cows gained at Oklahoma City, but other classes netted losses for the week at market. Common and medium cows moved at \$10.50 to \$13.50 at Houston; and \$12 to \$14.50 at Wichita. Medium and good kinds turned at \$13 to \$15 at San Antonio; and \$12.50 to \$12 at Fort Worth. Common to good beef cows cashed upward to \$17 at Oklahoma City; and \$12.50 to \$16.50 at Denver.

## VFW Basketball Team To Play Comanche Friday

Veterans of Foreign Wars Post 6014 basketball team will invade Comanche Friday night at 8:30. Both Hamlin and Comanche posts have successful teams this season and are soaring high in their field of sport.

To-night's game will have a bearing on the championship of District 8, it was stated. All basketball fans are invited to go along and boost the Hamlin VFW.

## Local VFW Members Urged To Attend Important Meeting

Election of officers for the coming year will be held by VFW members next Tuesday night, it was announced.

"Make your plans now to be present Tuesday night, March 18, over the City Hall at 7:30," urges Lewis Yates, Commander. "This is election night—the most important meeting of the year. I urge you to come and vote."

"Remember, March 18," adds Commander Yates.

## Jones County Song Convention Sunday April 1, at Anson

The Jones County Singing Convention will hold its annual all day singing the first Sunday in April, at the High School Auditorium in Anson. The program will begin at 10:00 a. m. The county convention, will as in the past, be sponsored by the Anson Chamber of Commerce.

Arrangements are being made for a record crowd, as this convention draws the largest crowds of any meeting of its kind in the state; more than 4,000 having attended on several previous occasions.

All organized choirs, quartets and individual singers are invited and urged to be present. Out-of-county singers will be the guests of the Chamber of Commerce for lunch.

County officers of the convention are: Fred Bennett, Stamford, President; A. L. Stell, Anson, Vice President and Mrs. Raymond Day, Anson, secretary. Local arrangements will be handled by the Singing Convention of the Chamber of Commerce, A. L. Stell, Chairman, with Raymond Day and Albert Thompson as co-workers.

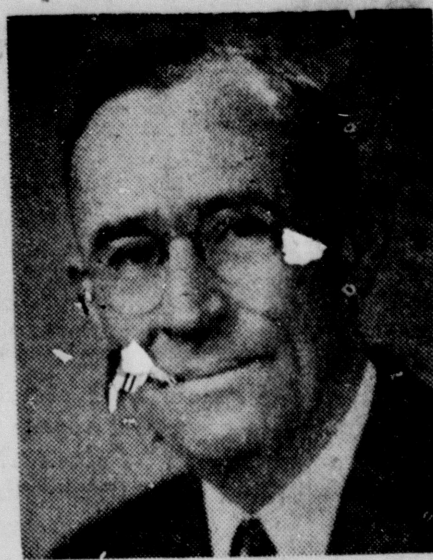

## First and Second Grades Move Into New Grammar School

Another milestone in the lives of Hamlin school first and second graders was passed Tuesday morning when they moved from the Methodist and Baptist churches into the new grammar school building, which is still under construction. Only four rooms of the new building are being used, according to Supt. I. R. Huchingson.

The youngsters have been attending classes in the two churches since school opening and had not been able to enjoy a full schedule, due to limited space. So teachers as well as pupils were very happy to begin work in the new building.

The schedule for the first two grades is from 8:30 until 11:30, an hour off for noon, then from 12:30 to 2:30.

## Leaders of 1947 Hamlin Chamber of Commerce

FRED C. SMITH

MRS. E. M. WILSON

Central figures among Chamber of Commerce leaders at the annual banquet tonight at the First Methodist Church will be Fred C. Smith, newly elected president and Mrs. E. M. Wilson, re-elected secretary after serving several very successful terms. An interesting program has been planned and will feature an address by Fred Wemple of Midland, newest member of the State Highway Commission.

## Annual C of C Banquet Slated for Friday Night

About 200 members and guests are expected to attend the annual Hamlin Chamber of Commerce banquet to-night (Friday) at 8 o'clock. Tate May WTCC director, will preside as toastmaster.

An interesting program has been planned and will feature an address by Fred Wemple of Midland, newest member of the Texas Highway Commission. He will be introduced by Dr. Will C. House, pastor of the First Methodist Church and former pastor of the First Methodist Church of Midland.

Retiring president, O. D. Rowland, will present his annual report and present the new officers and directors.

Fred Smith, manager of Rockwell Bros. & Co. is the new president and Mrs. E. M. Wilson was again named secretary.

## New Sugar Stamp to Be Good On April 1

It was announced early this week that spare stamp No. 11 in OPA ration book will become good on April 1 for 10 pounds of sugar. Approval of a 10-pound stamp marks OPA's change-over from the five-pound use since sugar first became a war-rationed item. Spare no 11 will be good through Sept. 30, but OPA also said another 10-pound stamp would be validated on July 1 if sugar imports meet expectations.

Stamp No. 13 the current stamp, will expire on March 31.

In making the announcement OPA stated no separate stamps would be issued for canning this year.

## "Box Supper" at Hitson Friday Night

Announcement has been made that a "Box Supper" will be held at the Hitson School house tonight (Friday) March 14. The affair is sponsored by the Young People's organization and the proceeds will be used to erect a lighted softball court.

## J. D. Marlowe Dies At Haskell; Result Of Auto Accident

J. D. Marlowe, 41, Haskell tractor and implement dealer and brother of Pat Marlowe, local Safeway manager died at 8:10 Monday morning following an automobile accident 3.3 miles east of Haskell on the Throckmorton highway. Death was attributed to shock.

Funeral services were held Tuesday at 2:30 p. m. at the Haskell First Methodist Church with the pastor, Rev. Jordan Grooms, officiating. He is survived by the widow; two daughters, Julia Ann and Hortense, Haskell; his father, J. C. Marlowe, Haskell; three brothers, Pat of Hamlin; Ed of Fort Stockton; James C. Jr., of Haskell; and two sisters, Mrs. Ben Hoosier Memphis and Ruth Marlowe, Fort Worth.

## First Baptist Plan Revival; March 26 Through April 6

Rev. Carl Nelson of Gentry, Arkansas will do the preaching for the spring revival to be held at the First Baptist Church March 26 through April 6, according to the pastor, Rev. John Osteen. J. B. Smith, music and educational director, will lead the singing.

Special prayer meetings preceding the opening of the revival are being planned. A program of mass visitation and a religious conference are also being arranged.

Two street meetings on Saturday afternoons will also be held, it was stated. Rev. Nelson will be guest speaker on the Saturday afternoon radio programs during the meeting.

## Operators Walk Out In Hamlin 8 a.m. Thursday

### Series of Lectures To Be Held Here at Church of Christ

The Hamlin Church of Christ is to hold a weeks lecture program with many outstanding speakers, March 30 through April 6, according to the minister, J. Cleo Scott. The public is invited to attend every service.

Some of the speakers are Don H. Morris, president of Abilene Christian College; E. R. Harper, nationally known Evangelist, now Minister of the Highland Street Church of Christ in Abilene; Walter H. Adams, Dea of Abilene Christian College, and a leading educator of the south; J. W. Treat Language professor and director of work among the Mexicans; Cecil N. Wright, a well known Evangelist and local minister; Glenn Wallace of the College Church; O. I. Proctor, a Hamlin resident for many years, now minister of the Northpark Church of Haskell, and Claude C. Smith of Eastland.

"Each of these men are outstanding in the field. You will miss a feast of God's word and a great inspiration if you miss any of these men."

## Fishing Job Delays Completion at Radium

Completion attempts for the Walter K. and Byron W. Jones No. 3 Chittenden estate near Radium, southeast of Hamlin were delayed again during the past weekend due to twistoff of two joints of drill stem and drill collar at a total depth of 2,962 feet. Operators expect to resume drilling when the fishing job is completed.

The same operators have completed running plug and cleaning up prior to testing on their No. 2 Chittenden. It will test in the Swastika when weather conditions permit.

In eastern Jones County, two new wildcat tests have been located, one is for 4,500 feet three miles southwest of Leuders and a 2,000 foot test three miles north of Nugent. One will go to the Strawn series and both will be drilled with cable tools.

First string of casing, nine and five-eighths inch, was to be set late this week on the deep Stonewall county wildcat test 15 miles southwest of Aspermont, Honolulu Oil Corp., No. south and 440 from the east line of 1 Sammy Baugh, 3,080 feet from the section 375 block 2 H&TC survey. The casing has been set at 2,200 feet.

Five miles southwest of Aspermont delay for a fishing job was reported for the Pan American Production company No 1 T. A. Jean, propose 7,000 foot test 990 feet from the east and 2,310 from the north line of section 166 block 1 H&TC survey. The well had reached 1,000 feet after setting 10-inch casing at 364 feet.

## Hamlin Residents Mother Dies at Abilene Sunday

Mrs. C. W. Williams, 62, mother of Harold L. Williams of Hamlin, died Sunday morning in a Abilene hospital where she had been under treatment for heart ailment for the past three weeks.

Funeral services were held at the Sylvester Baptist Church at 2 p. m. Monday with Rev. W. C. Deavers, pastor, and Rev. Melvin Byrd of Lueders officiating.

She was born at Valley Mills March 4, 1865 and moved to Noodle when a child. She was married to Dr. W. C. Williams at Merkel in February 1904. They moved to Sylvester in 1916, where he has maintained his medical practice.

She is survived by two daughters, Mrs. Hubert Deere, San Diego, California; and Mrs. Fred H. Cravy, Alhambra, California; two sons, Harold L. Williams Hamlin, and Nowlin Williams, Lueders; and two grandchildren.

Union telephone operators at the Hamlin office of the Southwestern Bell Telephone company joined operators in all sections of the state Thursday morning and it was reported they had gone into a continuous meeting. The walkout became effective at 8 a. m. Thursday and only emergency calls were being handled here. The only information available to The Herald was that no operators were on duty except supervisory employees.

Efforts to contact Miss Villa Rountree local representative, were futile. Herald staff members were informed the call did not constitute an emergency. The local girls belong to the Stamford local and it was reported that local along with others had voted to extend the strike to nearly 50 more cities.

The so-called "candy bar" strike is now nearly a week old in Odessa, seat of the trouble and it was reported Thursday that the difficulty over a supervisory night chief operator was no near settlement than a week ago.

Union operators in Fort Worth entered a meeting also Thursday and it is reported operators in Dallas, Houston and San Antonio would likely join the strike.

Cities and towns with dial service will notice very little difference in local calls, but towns with the same type of service as Hamlin are receiving no service except in emergency.

Comments in Hamlin ranged from amusement at what appeared to be a strike over trivial matter to bitter statements from some firms who depend on the telephone system to carry on their business.

## Jones County Rally At Baptist Church Here Friday Night

Baptist from all over Jones county churches are expected to attend a special men's rally to be held at the Hamlin First Baptist Church Friday evening, according to the pastor, Rev. John Osteen.

Rev. C. A. Powell of Rule will be the main speaker.

The public is cordially invited to attend, although the meeting was planned as a men's rally, the women are welcome. Many of the local Baptist men will not be able to attend due to the Chamber of Commerce banquet to be held the same night.

## Dale Carnegie Course In Speech Will Be Taught In Stamford

Dale Carnegie's famous course in effective speaking, personality development and the art of winning friends and influencing people is to be offered to people in this community in a series of classes starting Wednesday night with the opening meeting set for 8 p. m. at the Stamford Inn.

"The public is invited to attend this first lecture and demonstration without cost or obligation" according to Harrison B. Taylor, personal representative of Dale Carnegie in Texas. Mr. Taylor will personally conduct Wednesday night's meeting.

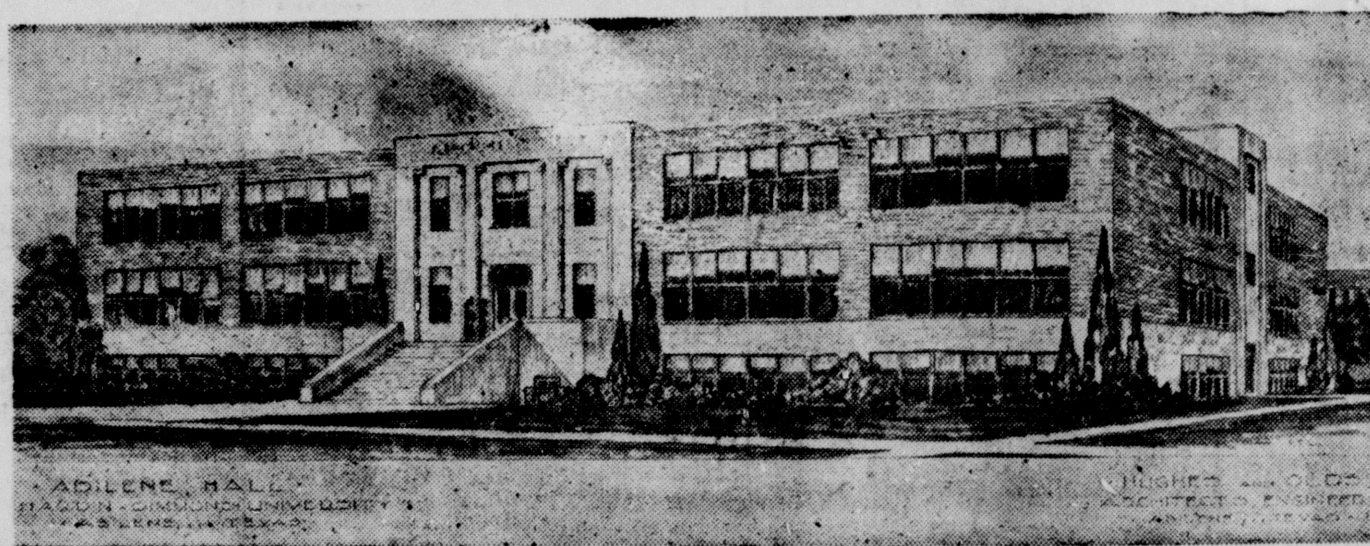

## Duo Pianists To Appear In Stamford Concert Saturday

Artists, Arthur Gold and Robert Fizzdale, duo pianist, who have worked together for five years, will be presented in a concert by the Stamford Music association at St. John's Methodist church on Saturday evening, March 15. Those who have tickets are asked to take notice that the time has been changed from 8 o'clock to 8:30, due to the artists arrival on late schedule.

All seats have been reserved and if you do not already have tickets, it will be impossible to do so is was stated.

Rev. J. T. Crawford and Rev. John Osteen attended a district Nazarene Preacher's convention at Eastland last week.

## Proposed New Abilene Hall on Hardin-Simmons Campus

Already crowded with a record enrollment, Hardin-Simmons university was severely handicapped by lack of classroom facilities when Abilene Hall burned early in February. Less than three weeks after the fire, half of the \$200,000 fund was pledged by friends of the school for its rebuilding. Feeling that the need was so great, members of the board of trustees of the university have authorized the immediate beginning of construction of the building. "Because of the shortage of classrooms, we will build as much of the new structure as funds will provide," according to President R. N. Richardson. The building is to be on the site of the previous Abilene Hall. Friends in Abilene have already subscribed more than \$100,000 while solicitation has just begun in other areas of the state.

## Survivors And Old Age Insurance May Be Extended

Extension of coverage under the old-age and survivors insurance to all gainfully employed workers is one of the recommendations of the Social Security Board in its seventh and annual report, Ralph T. Fisher, manager of the Abilene office of the Social Security Administration, said today.

In July of 1946 the Board was abolished, its functions transferred to the Federal Security Agency, and its organization designated as the Social Security Administration. The current report, required of the Board under the Social Security Act, is for the fiscal year 1945-46, and was submitted to Congress February 11.

Mr. Fisher pointed out that the recommendation for extension was based upon ten years of administrative experience, which had demonstrated feasibility of extension of coverage to the groups now without the protection of the program. Persons not at present able to earn protection under the program include those employed in agriculture, domestic service, non-profit organizations and Government service, and those who are self-employed.

In addition to protecting the groups not now covered, the extension program would reduce the number of person who lose their rights to benefits by shifting in and out of covered employment he added.

Another recommendation of the Board in the report calls for payment of benefits to insured workers during periods of permanent total disability, through expansion of the present Federal Government program of the old-age and survivors insurance. In making this recommendation for the inclusion of disability insurance, the Board said that the wage loss suffered by permanently disabled workers and their families probably run from \$1,500,000,000 to Two Billion a year.

A third recommendation call for changes in the method by which old-age and survivors insurance benefits are figured to increase the amount of benefits, particularly for low-paid workers. The general level of benefits should be raised, the report states largely because of increased living costs.

Other recommendations of the Board call for increasing from \$3,000 to \$3,600 a year the wages that may be credited to the account of any worker, thus expanding the basis for determination of benefits, and an increase in the amount of earnings a

## Final Rites for Mrs. J. B. Adkins Held Saturday

HAMLIN, March 7—Final rites for Mrs. J. B. Adkins, long-time resident of Hamlin, were conducted at 10 a. m. Saturday at the First Baptist Church here by the pastor, Rev. John Osteen. Burial was in East Hamlin cemetery under direction of Barrow Funeral home.

Mrs. Adkins, 84, died at the home of her daughter, Mrs. Ira Clements, here at 11:45 a. m. Thursday. She fell last July and suffered an injury

from which she never recovered.

She came to Hamlin in 1905. They engaged in the grocery business for many years.

Survivors are Mrs. Oscar Owen of Cedar Crest, N. M.; E. W. Adkins of Texarkana, Mrs. M. G. Cooper of New Orleans, La., Sam L. Adkins of Taos, N. M., Mrs. Roy Roy Stine of Vernon, Mrs. Herman Scruggs of Dallas and Mrs. Clements of Hamlin.

He was one of Hamlin's few remaining pioneer women, having come here in 1905, shortly after Hamlin Company. The J. B. Adkins family was laid out by the Orieent Townsite moved here from Seymour and en-

gaged in the dry goods business and later operated a grocery store for many years. She had resided on the same street for 42 years, her home being one block west of the Methodist church until the death of her husband 11 years ago.

Her many friends expressed this description of Mrs. Adkins: "She possessed a charming personality, kind, patient, devoted to her husband and children, a Christian from early girlhood."

## Hospitalized Vets At All-Time High

The number of veterans hospitalized by the Veterans Administration reached a new all-time high near the end of January, VA reported.

The report disclosed that a total of 119,845 veterans were receiving treatment at VA hospitals and homes and in non-VA hospitals under contract to VA.

Veterans with service-connected ailments are given top priority for VA hospitalization, but veterans with non service-connected disorder are hospitalized only when beds are available and if they say they cannot afford treatment in other institutions.

## Rep. Burleson Speaks In Behalf of Court Martial Bill

Congressman Omar Burleson of Anson, Jones County, made his second address to the 80th Congress last week speaking in support of his bill (HR 2143) which was introduced on February 21, to amend the Articles of War and the

Articles for the Government of the Navy. His bill provides for the service of enlisted men on court martial boards, whereas at present only officers are eligible. He says that the antiquated court martial system (still existent) should be revised to "at least give the boy in service, who may be charged with an offense, the same chance to defend himself as is given the common criminal in our civil courts."

The measure affords certain fundamental legal rights, such as the presumption of innocence until guilt is established, the reasonable doubt fessions, and other basic principles theory of law and the taking of conviction, Congressman Burleson says "are not adequately recognized in military court martial procedure."

In his address to the house, Mr. Burleson said, "I believe the changes proposed in HR2143 will correct some of the present gross inequities and I

hope I may have your support in the passage of this bill."

Six Months, in advance.....\$1.25

Entered at the Post Office at Hamlin, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

**SIMPLE ARITHMETIC**—With civilian price-front weaker than the labor wage-front, wages mount, prices soar, and John Q. Public foots the bill.

The Japs discovered that we Americans come to a slow boil, but stay hot for a long time.

## Final Rites Held for Mrs. T. P. Westbrook Saturday Afternoon

Funeral services for Mrs. T. P. Westbrook, 89, were held Saturday afternoon at the Church of the Nazarene here with the pastor, Rev. J. T. Crawford, and Rev. G. C. Hardaway, of Hawley Methodist Church, officiating. Interment was in East Cemetery.

Mrs. Westbrook died Friday at the home of her daughter, Mrs. James

Gilbreth, in Hawley.

She was born Marha C. Martin in Carroll county Georgia December 18, 1858. She was married to T. P. Westbrook in 1875 in Alabama. They moved to Athens, Henderson county, Texas in 1893. They came to Jones county in 1918. Mr. Westbrook died in 1935.

She is survived by three children, Mrs. Gilbreth, Hawley; Mrs. A. H. Brannon, Abilene; and Martin Westbrook, Hamlin; 32 grandchildren; 14 great-grandchildren and 12 great-great-grandchildren.

## Soil Conservation

"No run-off and no erosion for twenty years." How many of you can say this about your cultivated fields or even about a well vegetated pasture?

The above statement is one that R. E. Dickson, Superintendent of the Texas Agricultural Experiment Station at Spur, Texas, used when speaking of a ten acre experimental field on which level closed terraces are being used. The ends of these terraces were used as to hold all the rainfall.

In the experiment carried on for the past twenty years by the Spur Station two other ten acre plots were laid out adjoining the one with terraces. One of these was farmed on the contour while the other was planted to rows with the slope.

These fields have slopes of approximately one half foot per hundred feet. The soil, being moderately absorptive, is also comparable to many found in the California Creek soil conservation district. The average annual rainfall for the period of study was 20.13 inches.

Cotton was raised on these fields

each year of the study and the production marketed in the customary manner. The production record shows that contouring alone was a little less than one-half effective in increasing cotton yields as were closed level terraces.

Saving all water, which amounted to The terraced field produced \$6.07 2.75 inches average run-off per year. more cotton per acre per year than did the contoured field. There was six times more plant food lost through run-off with straight rows than was removed by crops in the terraced field.

## COTTON QUIZ

CAN YOU MAKE PICTURES WITH COTTON?

ANS—YES! THE BASIC INGREDIENT OF PHOTOGRAPHIC FILM IS COTTON LINTERS — A BY-PRODUCT OF COTTON —

Not all fields should be expected to respond favorably to terraces. In this district less absorptive soils having steeper slopes should be allowed to outlet at least a portion of the rainfall to prevent drowning of crops. Partial closures may be used to advantage in these conditions.

### It's Susan Kay, Not 'Martha'

They might have named her Martha but they named her Susan Kay instead. The very young lady in question is the daughter of Mr. and Mrs. Ernest Davis, 1005 North Guadalupe street, who was born at St. Francis Hospital about 10:30 a. m. on Washington's birthday. She weighs six pounds, ten and one-fourth ounces.

Mr. and Mrs. Davis moved to Carlsbad from Hamlin, Texas, about a year ago when Davis was discharged from the service. He is associated with the Malaga store.

Maternal grandparents, Mr. and Mrs. Dan Howard of Hamlin,

Mr. and Mrs. Dean-Witt visited her parents at New Hope during the week end.

Mrs. Jimmy Irvin has been ill with influenza, and took penicillin treatment early this week.

Rev. John Osteen, Mrs. W. L. Boyd Sr. and Mrs. A. G. Miller attended the Women's Rally at Anson Baptist Church Tuesday morning from 10 to 11 o'clock.

### Attend Wedding

Mr and Mrs. Lester Morton were in Barstow during the weekend to attend the wedding of her brother, John Howard Fielder and Miss Carolyn Black.

Mr. Morton sang preceding the ceremony and Mrs. Morton played the nuptial music.

### "I'll be fired for that fool story!"

The managing editor of the New York Herald took a day off on December 21, 1879. So this headline in his paper hit him without warning.

#### EDISON'S LIGHT—

IT MAKES A LIGHT, WITHOUT GAS OR FLAME:

The public promptly shouted "hoax!" Scientists called Edison crazy. And our shocked, angry editor expected to be fired.

But he wasn't. Eleven days later, Thomas Edison held a unique New Year's party in his laboratory at Menlo Park, New Jersey and invited the world to see his "flameless light." Thousands came and were convinced. The incandescent lamp was real.

Soon small private companies were bringing the benefits of Edison's newfangled lamp to the people. Engineers and business men poured in their energy and time... risked their own savings... overcame all kinds of obstacles... broadened and improved the service.

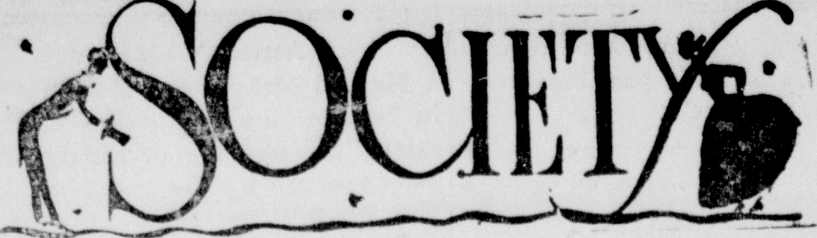

Government didn't do the job. Individuals did. And in the process, they created jobs for many thousands of Americans, as well as a great new service for many millions more.

When Edison opened the first power-plant in 1882, electricity cost 25¢ a kilowatt-hour. This year, as we mark the 100th anniversary of the great inventor's birth, the average price of household electricity across the country is only 3½¢ per kilowatt-hour.

Thanks to Edison's imagination and enterprise—thanks to the courage and initiative of many men and women, working under the American business system—this country enjoys the most and the best electric service in the world. And all our lives are richer, safer, more productive.

## Miss Vie Bailey Becomes Bride Of William W. Fomby March 1

In a double ring ceremony, performed by Rev. Dan D. Jones, Miss Vie Bailey, daughter of Mr. and Mrs. Clarence Bailey, was united in marriage to William W. Fomby, son of Mr. and Mrs. J. W. Fomby, Saturday evening, March 1.

Setting for the wedding was the living room of the bride's home, which was decorated with arrangements of white lillies, stock and ferns.

The bride wore a light blue, wool suit with black accessories, a corsage of white gardenias and carried a white Bible.

Immediately following the ceremony, the couple left for a short wedding trip.

Mr. and Mrs. Fomby are both members of pioneer Hamlin families and will continue to make Hamlin their home, where he has land interest and will engage in farming.

## Hitson HD Club Meets With Mrs. Morris Jean Mar. 4

Members of the Hitson Home Demonstration Club met Tuesday, March 5 in the home of Mrs. Morris Jean.

Mrs. Jean, president, was in the chair. Games were played with the husbands participating.

Mrs. Delma Bales, demonstrator, gave examples of making costume jewelry from felt cloth and sequin pins.

Pie and coffee were served to the following members and husbands: Mr. and Mrs. B. B. Phillips, Mr. and P. H. Williams, Mr. and Mrs. Morgan Meeks, Mr. and Mrs. Nelson Putman, Mr. and Mrs. Jean Mrs. G. B. Phillips; and other guests, Ira Butler, Jr. Sue Jean, Mr. Gearson and Mrs. Bales.

The men enjoyed 42 games while the ladies held their club meeting.

## Leaves for Honolulu

Leroy LaBaume left Tuesday for Honolulu after having spent six months here with his parents. He was accompanied as far as Abilene by his sister, Miss Inez LaBaume and brothers Lewis and George LaBaume and family.

## Rev. John Osteen Passes First Year With First Baptist

Last Sunday marked the first anniversary of the work of Rev. and Mrs. John Osteen with the First Baptist Church in Hamlin. It can be called a full fruitful year with 228 additions 80 of these for baptism, and 148 by letter and statement.

March 1, 1946 Rev. and Mrs. John Osteen left the First Baptist Church in San Diego, California, "feeling God was leading us to Texas", as he expresses it, "Just before leaving we received a letter inviting us to visit with the First Church of Hamlin. The Wednesday after the Sunday I came to Hamlin, you extended a call to us. That was a year ago. How quickly the time has passed. How wonderful has been the fellowship and how splendid the cooperation. How abundantly God has blessed us. We are extremely happy that God has allowed us to come your way."

Last month the Sunday School had an average attendance of 440 and the Training Union averaged 190.

"Now is the time for us to get down to real work. We covet your cooperation and prayers as we enter our second year together," Rev. Osteen stated.

## Public Invited To Make Use of the Baptist Library

All residents of Hamlin have the privilege of using the splendid Ezell Memorial Library at the First Baptist Church and are invited to do so, it has been announced by church officials.

This library is well stocked with good books, which have been read and censored by workers in the church and new books are added to this fine collection each month. There are books for all ages, from small children to the oldest adult.

Of course certain rules must be followed, as is true with any library. There is no charge unless the books are kept overtime, then, a fine of two cents a day will be assessed. Unpaid fines will prohibit additional borrowing. The borrower is responsible for damage or loss of books. Children under 12 must have parents' signature on borrower's permit before a book may be checked out.

Each individual must make application for permit to take books from the library. Books have to be returned to the library by the borrower. They may be returned at regular library hour; or dropped in the slot provided at the door, unless a fine is due for keeping book overtime.

The library is open to check out books from 9:30 to 10 o'clock Sunday mornings; 8:30 to 9 p. m. Sunday evenings; 4 to 5 p. m. Mondays; and 8:30 to 9 p. m. Wednesday evenings. Probably the most convenient time

for those who are not Baptists would be Monday afternoons, although you are welcome at any of the above mentioned periods, it was stated

THE HERALD has a limited supply of heavy cardboard, size 30x44 inches suitable for facing walls, etc.; price 10 cents sheet. tfp

## Willie Faye Neal And Morris F. Wolfe Married Wednesday

Miss Willie Faye Neal, daughter of Mr. and Mrs. Tom Neal, became the bride of Morris F. Wolfe in a ceremony read Wednesday, March 12 at the home of Rev. J. W. Griffin.

The bride was attractive in a beige dress.

Mr. and Mrs. Wolfe plan to make their home in Hamlin.

## Young People's BTU Department Is Now Having Meetings

The newly organized Young People's department of the First Baptist Church Training Union are enjoying fine attendance and have completed plans for a hay ride Friday night.

Bill Irwin has been asked to be superintendent of this department and Miss LaRue Kite, assistant.

Other workers are Mrs. Doris Lawlis and Mr. and Mrs. Eaton. All Baptist young people are invited to attend the hay ride, and the union meetings each Sunday evening at 6:30.

## Texas Business is at Highest Level in Peace Time

Austin—Business in Texas ushered in 1947 at its highest peacetime level in history, topping the previous peace time high reached in August of last year, according to the Texas Business Review, monthly summary published by the University of Texas Bureau of Business Research.

Stability characterized January business as it did the closing months of 1946. Based on the average pre-war month of 100, the index of general business activity was 187.2 in November, 188.2 in December, and 189.2 in January—a change of slightly more than 1 per cent, which came in a season usually marked by fluctuation.

The December-to-January increase in the State index was due primarily to substantial gains in the seasonally-adjusted indexes of department and apparel store sales (14 per cent) and electric power consumption (8 per cent). Declining between December and January were all remaining component indexes: employment, crude oil runs to stills, miscellaneous freight loadings and pay rolls.

All six major series in January 1947 were above their January 1946 levels, with the greatest increases made in the dollar indexes where advancing prices were largely responsible for the gains.

Startling fact are revealed by a comparison of business in January 1947 with the average prewar month. Employment has risen only 19 per cent, but pay rolls skyrocketed 111 per cent. Miscellaneous freight loadings and crude oil runs to stills have increased 42 per cent and 48 per cent respectively. Electric power consumption has jumped 174 per cent and department and apparel store sales 205 per cent.

Retail trade experienced the usual post-Christmas drop in January. Production and agriculture also adhered to the seasonal patterns, and

transportation and the State labor picture reflected some unsteadiness.

## Cotton Filter Help During Dust Storm

Lubbock—It's not comfortable, but a small plug of cotton inserted in each nostril will protect lungs from overdoses of dust and sand during storms, according to Miss Sannie Calan, head of child development at Texas Technological College.

Breathing should always be through the nose, she stated, and the cotton should be loosely twisted to act as a filter.

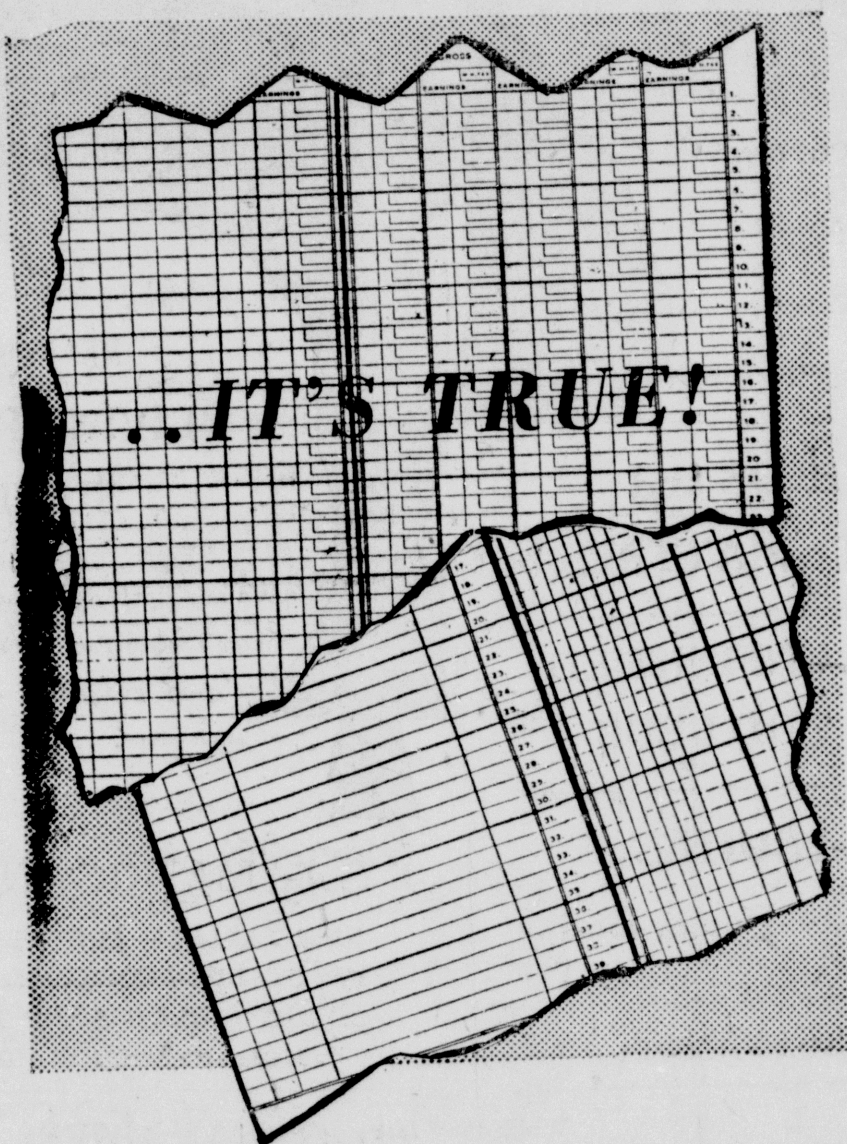

Small children are likely to keep cotton in place, and should be kept in the house during "rutters", she added.

## POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

J. T. Rhoten, F. L. Rector and Bob Meeks pledges \$5.00 per year to the McCaulley cemetery fund. Other pledges this week came from Mrs. Ben Robertson, Imperial, Texas, Mrs. Vera Jayroe, McCaulley and B. F. Kemp, McCaulley.

and Mrs. Ben Robertson of Imperial are announcing the arrival of a daughter born February 21st, weight 8 lb and 4 oz and her name is Kay Lynn. Mrs. Robertson is the former Latine Atkins formerly of this community.

Once again the McCaulley community is covered with a blanket of snow, the flakes began falling Wednesday night March 5th.

Mrs. Laura Woods, Mrs. M. P. May and Tate May of Hamlin visited relatives in Colorado City one day last week. On their return home they visited in the home of Mr. and Mrs. F. L. Rector.

Thanks to Mrs. A. L. Gregg for re-newal of the Hamlin Herald. Mrs. Gregg is supervisor of McCaulley's school lunch room.

The Stamps all star quartet who sing each day over KWFT gave a concert at Sylvester high school last Tuesday night sponsored by the senior class. Attending from McCaulley were Mr. and Mrs. F. L. Rector and

daughter and Mr. and Mrs. Geo. Darden.

Mr. and Mrs. Albert Gallaway, Jr. have rented a 400 acre farm near Ralls and will move to their home as soon as school is out in May.

It looks like President Harry Truman made a big hit down Mexico way. A good neighbor policy is good business even in our own communities.

Mr. and Mrs. Bech Jones of Neisada have sold their farm and have purchased a farm in McCaulley from Mr. and Mrs. Frank Jackson. Welcome to McCaulley Mr. and Mrs. Jones.

There were no "dry eyes" in this household when our old faithful dog "Woots" died last week. Born in 1937 and died of pneumonia March 3, 1947. Woots didn't make the headlines in the big dailies as did Fala and Big Blaze the Roosevelt dogs but he was our pal and one of the family and to be sure he was layed to rest with honor. The man who once said that mans best friend is his dog wasn't far wrong.

Mr. B. F. Kemp tells us that community is invited to a cemetery working March 27 at McCaulley cemetery. Ladies will bring basket lunches. "you won't go hungry." And when we get the cemetery cleaned up, we can hire a man to keep it that way with the pledges that are coming in.

George Echols, Houston oil man has withdrawn a \$10,000 endowment fund that he set aside for Baylor-Medical College after 1300 Baptist pastors protested to the legislature, legalizing horse racing in Texas. Church folks usually get the worst of it when they get away from the church and dabble in politics. Preachers of today would be a lot more effective if they would live and preach the gospel instead of pulling their hair and screaming every time a President of the United States comes to Baylor U. to receive a honorary degree or a horse racing bill comes up. More time is spent in "damming" the other fellow than trying to up-lift him. No doubt, "mealy mouth" folks dislike our column.

Mrs. Jerry Miller and daughter Margaret and Mrs. Leo Parker have been confined to their beds with the flu.

Thanks to Ray Maberry of Rt. 2 Hamlin for a year's subscription to the Herald.

Mr. and Mrs. E. C. Waldrop and Mr. and Mrs. Jim Fancher attended the Stamps All Star quartet at Sylvester last Tuesday night.

If all men would read the Bible before marrying, perhaps they would take longer honeymoons. In Deuteronomy 24:5 the good book reads as follows: When a man hath taken a wife he shall not go to war, neither shall he be charged with any business; out he shall be free at home one year, and shall cheer up his wife which he has taken. Deuteronomy 24:5 (most of us read the scripture many years too late.)

Levi McCollum is at the Hendricks Memorial hospital in Abilene and will under go major surgery one day this week.

## Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mr. and Mrs. V. T. Stringer have moved back to Hamlin from Guymon, Oklahoma. They are building a home here, but at present are making their home with Rev. and Mrs. J. T. Crawford. He is bookkeeper at the Hamlin Compress Company.

Buy Office Supplies at the Herald.

Herbert A. Johnson is reported seriously ill at his home here. He has been confined to his home since last November with a heart ailment.

Mrs. Eva Golden remains in Dallas for medical treatment. Her address is 4718 McKinney Street, Dallas.

Miss Mary Boyd of Lubbock spent the weekend here with her parents, Mr. and Mrs. W. L. Boyd. Mr. Boyd has been ill with the influenza but is able to be out again now.

Mrs. Garrett, who lives south of town has been seriously ill with influenza.

## WHAT ARE YOU DOING NEXT WEDNESDAY NIGHT

?

Your answer to this question may change the entire course of your life, as it has for many others who found Dale Carnegie training just what they needed to increase their incomes, achieve personal success, overcome fears, develop self-confidence. . . . So make a date with a friend or member of your family, attend one of the most interesting meetings of your life, and find out for yourself (without any cost whatsoever) how Dale Carnegie training can help you become the kind of person you want to be.

DALE CARNEGIE, author of "How to Win Friends and Influence People," world wide authority on human relations, whose practical, proven methods will be made available to a limited number of men and women here.

ATTEND

### FREE LECTURE and DEMONSTRATION by

STARVE HIM OUT! Cotton Belt Enemy Number One is the boll weevil, and smart farmers are already at work to make his legions fewer for the 1947 crop. The boll weevil is eating cotton stalks

water, gas and electric utilities and proceeds on the theory that the maintenance of water, gas and electric services are absolutely essential to the life, health and safety of the people.

His bill further provides that although any employee or group of employees have the right to strike or quit work at will it shall be unlawful for any person or persons, whether employees or not, to interfere with the ingress or egress of any employees to or from any property of any utility by picketing, or to harass or intimidate any employees who are willing to work in order that the service may be maintained.

Under the terms of the Gilmer bill, it is a felony punishable by a penitentiary sentence for any person to willfully wreck, destroy, or sabotage

any plant, equipment or facility of a water, gas, or electric utility.

Mr. Gilmer's bill applies to utilities furnishing water, gas and electric service whether the utility be a private corporation, a municipality or state agency.

### Discover New Use for Westex Short Style

LUBBOCK—A new use for short staple West Texas Cotton in the manufacture of terry toweling is being developed by the Cotton Research committee of Texas, located at Texas Technological College, according to Herbert E. Kieke, committee superintendent of textile research.

Towels manufactured in the committee laboratories are about one-third more absorbent and are superior

on abrasion tests than other towels tested, which were presumed made of long staple cotton yarn. Kieke said.

At the present time short staple yarn is generally relegated to use for ducking and other coarse fabrics. The new use will greatly increase the value of cotton produced in this area if major manufacturers adopt it,

Kieke said, adding that a towel factory could operate profitably in Texas. No such factory has yet been

opened west of the Mississippi river.

Towels are now made from ply yarn, in which two pieces of yarn are twisted together to form the threads. By the recently developed process, a single ply yarn is used, making an equally strong and absorbent thread.

## Bits of News About Your Friends

Miss Mae James has been in Stamford Sanitarium for treatment of pneumonia this week. She had recovered sufficiently to resume her duties as first grade teacher, but grew suddenly ill again Saturday.

Mr. and Mrs. Jim Howard King attended the Fat Stock Show in Fort Worth Monday.

Mr. and Mrs. W. C. Eoff and son, Clifford, visited his sister in Madill, Oklahoma, and her brother in Dallas this week. Before returning home they are to visit the Fat Stock Show in Fort Worth also.

Mr. and Mrs. Jack Russell and little daughter, Jackie Sue, of Midland visited his parents, Mr. and Mrs. W. C. Russell, during the weekend.

James Tate May and a friend, John Heard, both students at Baylor University, were weekend visitors in the home of Mr. and Mrs. Tate May.

Carl Myers of Hardin-Simmons University visited in the home of Mr. and Mrs. Bill Adair Sunday.

Mrs. Vera Davis, who had a major operation at Hendricks hospital in Abilene is reported getting along nicely.

Dr. and Mrs. Frank Johnson of Rotan visited their parents, Mr. and Mrs. W. F. Johnson and Mr. and Mrs. M. P. May Sunday.

Do you hear E. R. Harper at 8:15 each Sunday Morning over KRBC? Come hear his in person during the series of Lectures at the church of Christ.

Mrs. Jess Long of Gary, Indiana is here for a visit with her parents, Mr. and Mrs. R. L. Dean, and sister, Mrs. Lott Shell.

Mr. and Mrs. R. J. Mathis of Detroit, Texas have been here for a visit with her sister, Mrs. W. C. Russell.

Mrs. Russell and Mrs. Mathis visited another sister, Mrs. Ross A. Buckner at Lubbock last week.

## Blessed Events

### Birth Announcement

Mr. and Mrs. Paul Griffin are the proud parents of a son, George Paul, born March 6. He tipped the scales at 8 lb. 2 oz.

Mr. and Mrs. Marvin York of 5007 W. Purdue, Dallas, announce the adoption of a son, Marvin, according to word received here by his parents, Mr. and Mrs. M. T. York.

### Birth Announcement

Mr. and Mrs. Leaford Stone are the proud parents of a son, Arland Royce, born Monday, March 3.

He is the grandson of Mr. and Mrs. C. B. Stone of Hamlin, and Mr. and Mrs. A. N. King of Hitson. The baby and his brother, Sperland Ford, are the only grandchildren in the Stone and King families.

### Birth Announcement

Mr. and Mrs. J. B. Terrell, Jr. of O'Donnell, are the proud parents of a son, born Monday March 3 in a Stamford hospital. The young man weighed 6 lbs 14 oz and has been named J. B. III.

Maternal grand parents are Mr. and Mrs. G. R. Riddle, east of Hamlin, and paternal grandparents are Mr. and Mrs. J. E. Terrell, Sr. of Hamlin.

Mother and son are now at the home of Mr. and Mrs. Riddle.

## QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

## Texas Guard Unit At Stamford Seeks New Captain

An officer with the rank of captain is being sought to replace Capt. Charles Brownfield, Jr. of the Stamford National Guard unit, it is revealed. An executive officer is also needed to round out the full complement of officers and men required for federal recognition. The minimum number of enlisted men have been enlisted, but others will be accepted.

## Move to Sweetwater

Mr. and Mrs. H. P. McLaughlin and daughter Kay have recently moved to Sweetwater. Mr. McLaughlin, former high school principal here, is now district manager for the Fuller Brush Company.

The McLaughlins lived in Sweetwater for five years, from 1936 to 1942, when he taught Science and was a registered nurse at the Sweetwater hospital. She will continue her work at the same hospital and he will supervise Fuller Brush sales in Jones, Fisher, Nolan and Stonewall counties.
